Expansion of Bangor on Dee Practice

We have been very fortunate in obtain Welsh Government support and funding to extend the current small building housing the Chapel House Practice in Bangor on Dee. The extended practice will provide a much improved service to our patients with extra consulting rooms and larger dispensary. Architect plans have been submitted to the planning department— Watch this space!!!!

Our thought and prayers go out to our HCA Sabine Fraser who is currently away from the Practice whilst she cares for her husband, Neil, in Nightingale House
